Name George Armes SF Bank Director

George A. Armes, of Atherton, for years one of San Francisco's leading industrialists, has been elected a director of The San Francisco Bank.

In releasing the announcement yesterday, Parker S. Maddux, president, pointed out that Armes is nationally recognized as one of the foremost engineering and shipbuilding authorities of the country.

Born and raised in San Francisco, Armes spent 12 years following the sea and became chief engineer of the Army Transport Service in the San Francisco-Manila operations.

He turned to the shipbuilding industry and rose to the position of engineer and chief of the Bethlehem Shipbuilding Co., which had acquired the old Union Iron Works.

In 1920, Armes thought the time opportune to head his own business and so he organized the General Engineering and Drydock Co., which he developed into a major Pacific Coast enterprise.

Pack Rats Blamed For House Blaze

Pack rats were blamed for starting a fire in a house at 19th Ave. and Old County Rd., San Mateo, at 3:45 a.m. Tuesday.

Thomas Aquilar, who has a broken leg which was in a cast. his wife and 7-year-old daughter were aroused from their sleep by the flames. The fire damaged walls, ceiling and roof in the small frame structure. The San Mateo County Forest Service which sent three trucks to the scene, estimated damage at $500.

San Mateo Fire Dept. sent one truck.

Mrs. Aquilar notified the telephone operator of the fire and the operator relayed the message to the county fire department in Redwood City.

County Sets Chest Drive Caravan

The "Community Chest Caravan," one of the features of this year's San Mateo County Community Chest fund raising drive, will start on a two-week tour of Peninsula towns and residential areas starting in mid-September.

A giant flatbed truck will be the main unit of the caravan. A decorated speakers' platform will be constructed on the rear of the truck from which Community Chest and civic officials will urge county residents to support the drive in their cities.

Highlight of the Caravan tour will be the installation of over 30 eight-foot thermometers which will show the day by day progress of the drive in each town. Accompanying the caravan will be representatives from the agencies supported by the Chest.

According to newly appointed Chest publicity director, Hugh A. Wayne, the Chest motorcade is being used to show county residents the county-wide scope of the Chest agencies. Wayne, president of the San Mateo Chamber of Commerce, said that arrangements are now being made to contact the county school superintendent to obtain a permit to release pupils in the grade and high schools so they may be able to attend the Community Chest Caravan ceremonies in their town.

A mobile public address unit will offer musical entertainment during the caravan county trip. A "Red Feather" theme girl, glamorizing the insigne of the Chest, will take part in the caravan ceremonies.

County residents are asked to watch their local papers for the date of the appearance of the caravan in their area.

Wayne anticipates the caravan will play host to over 50,000 Peninsulans during its 14-day tour.

Druggist Group Honors Generich

Forty years of service with the state was recognized last weekend as Walter Generich, San Francisco, executive secretary of the Northern California Retail Drug Assn. was guest of honor at a testimonial dinner in Belmont.

Generich received a gold watch as a tribute to his decades of labor. The watch was presented by John Rosselli, president of Sequoia Dist. Pharmacy Assn. hosting the dinner.

Guest speaker was Dr. Troy Daniels, dean of the College of Pharmacy at the University of California. Dr. Daniels spoke on the history of pharmacy since the days when prescriptions were held in deepest secrecy. He also stressed the growing importance of druggists in the community. Daniels explained that the profession is trying to make pharmacy a five-year course at California rather than the present four-year course.

Other guests attending were state board members Lynn Walsh, secretary of the state boa d, Lyle Shirley, Marshall Mallory and Gus Affleck.

Frank Clancy, Harry Rooney and Carl Tasker of Redwood City also were among the 103 persons present at the dinner.

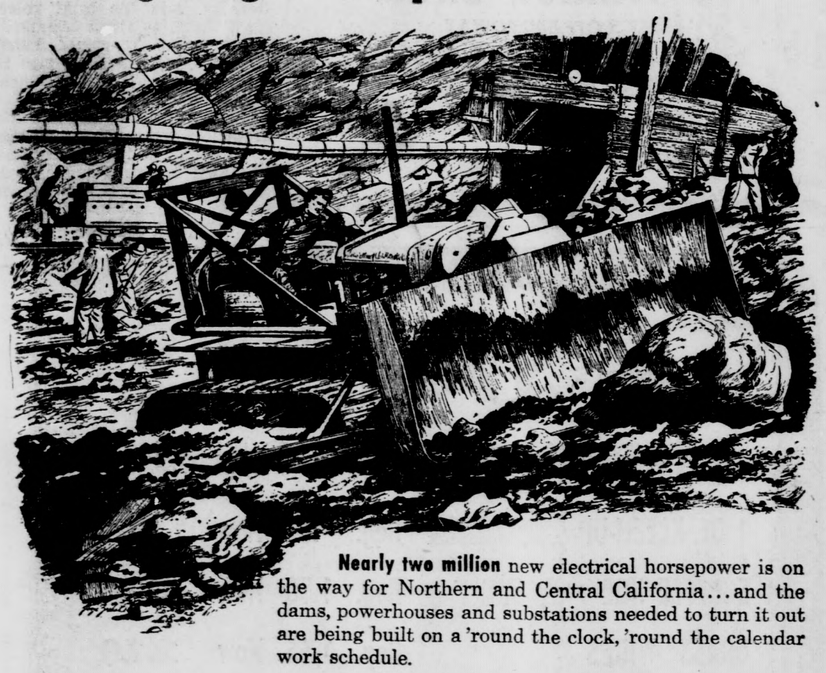
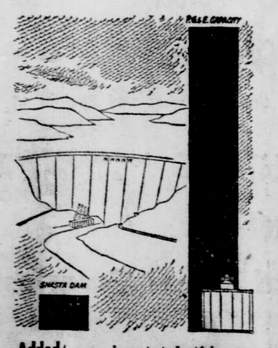
America's biggest power-building program going full speed ahead



Nearly two million new electrical horsepower is on the way for Northern and Central California...and the dams, powerhouses and substations needed to turn it out are being built on a 'round the clock, 'round the calendar work schedule.

It's the biggest building program of any electric utility in America today—begun just after the war ended—already well along toward its goal! To give you a quick picture, here are some comparisons.

More power is being added than was needed to serve all of Northern and Central California before the war. Construction is speeding along at over $10,000,000 a month.



Added to previous totals, this new power will give P.G. and E. a generating capacity eight times greater than Shasta Dam...three times greater than Hoover Dam.

Thousands of jobs have been created. Today 6,000 men are hard at work building the power needed to serve growing California...to serve you better.

Work never stops on our power-building program

Duarte Auxiliary Festival, Barbecue To Take Place at El Monte Aug. 29

Villa El Monte, whose beautiful gardens have provided a background for countless charity fetes of the past, will be the setting when several hundred Peninsula and Bay Area residents gather on Sunday, Aug. 29 for the Fun Festival and Barbecue given by the Peninsula auxiliary to the Duarte Medical Center.

The large estate is owned by the William E. Cohens of Los Altos and offers many facilities for outdoor enjoyment, members report.

For all the guests, the committee in charge has arranged a day of activities scheduled to start at 2:30 p.m. and to continue until the late evening hours. Games, sports, dancing and other entertainment features will be the prelude to the barbecue dinner which is to be served in the evening.

Louis L. Brounstein of Redwood City, president, reports that "every effort is being made to assure our guests of a memorable "Sunday on the Peninsula." This is not just another outdoor event but a day of carefully planned festivities to bring our members and friends the ultimate in good fun, good food and good fellowship.

David Geller, general chairman, is in charge of tickets and all requests for reservations can be directed to him at 47 Turnsworth Ave., Redwood City.

"All proceeds from the festival, the first fund raising effort of the recently organized group, will be diverted towards the care and rehabilitation of tuberculosis victims receiving free hospitalization at the nationally known Duarte sanatorium in Los Angeles.

Assisting the president and the general chairman in the completion of arrangements are Mr. and Mrs. Samuel Dietz, Mr. and Mrs. Samuel H. Faverman, Mr. and Mrs. Harold Shanzer, Mr. and Mrs. Reginald Levy, Mr. and Mrs. Harry Mirsky, Mr. and Mrs. Fred Maxwell, Abe Jacobs, Mel Dollinger, Dr. Bertram Wolfsohn, Maurice Triest and Mmes. Community Assn. Announces Winter Concert Dates

Pres. C. B. Selden of the Redwood City Community Concert Assn. today announced dates for four concerts to be held by the group during the winter season.

They are:

Monday, Oct. 11, Charles Kullman, tenor.

Wednesday, Nov. 17, Slavenska Ballet Variante.

Tuesday, Dec. 14, Tossy Spivakovsky, violinist.

Wednesday, Feb. 2, Yara Bernette, pianist.

Mr. Selden reminded members of the association that admission tickets would be mailed prior to the first concert. Receipts given during the membership drive last spring do not entitle holders to admission, he pointed out.

Mr. Selden asked members to notify the association of changes in address since receipts were issued. The Redwood City Chamber of Commerce, EMerson 6-5739, will accept messages for the association, he said.

The concert group was established in Redwood City in March of this year after a charter membership drive enlisted more than 1000 persons.

Only members will be admitted to the concerts which will be held in the Sequoia Union High School auditorium. No tickets will be sold at the door, he emphasized.

The association has a waiting list, he added.

Two Women Win Bridge Tournament

Two women, teaming up for the first time, won the Friday night contract bridge tournament of the Peninsula Duplicate Club.

High scorers were Mrs. H. P. Anderson and Mrs. Alice Smith. Other winners were Mr. and Mrs. Harold Middleton, Mr. and Mrs. Don Kir and J. J. Sutton and J. J. Lattin.

Renovation of the Redwood City Woman's Club, where the matches are held each week, has forced the cancellation of this week's meeting, which was scheduled for tomorrow night.

Associated Press Chief Rates Nationalism Over Communism in Eastern Europe

NEW YORK (AP)—Kent Cooper, executive director of the Associated Press, says he believes nationalism will prove stronger than Communism in countries of Eastern Europe.

Cooper arrived yesterday aboard the Queen Elizabeth after a seven-week visit to Associated Press bureaus in the Scandinavian countries, Holland, Belgium, Germany and England.

The Russians discovered, Cooper added, that Tito "first wanted to be a Yugoslav rather than a Communist."

"Although he is friendly to the Russian Communistic ideology, this spirit in each country is going to reign supreme. They are going to remain Yugoslavs, Czechs, Poles, Hungarians and their own nationalities."

JUST GOOD, COLLEEN FUN—Bert Stone wrote to the mayor of Dublin, Ireland, and asked for help in finding a "well-built Irish girl, short, but not too slender," for the San Fernando, Calif., powerhouse foreman to wed. The mayor put an ad in a Dublin newspaper, and all hands are waiting for results. To keep the colleen company, Stone has a pack of hound dogs. He's "past 40," divorced, and has a "little money in the bank."

County Fiesta Aide Employed

Appointed to a full-time paying post on the fiesta staff, William Wilson, prominent Half Moon Bay resident and member of the San Mateo county civil service commission, took over his duties as a bookkeeper this week, it was announced today by the San Mateo County Fair Assn.

Wilson's salary is payable from county funds.

Until recently Wilson had been a partner in a Princeton fish packing concern. As a civil service commissioner, Wilson has been active in the inauguration of civil service reforms and rulings pertaining to county employees.

The fiesta job of bookkeeping to which he has been appointed is a full-time 'round-the-year position.

POLISH PEASANTS GO LEFT

WARSAW, Poland (AP)—Peasants of Poland are joining Leftist political parties in increasing numbers.

Organizers for the Polish Socialist Party reported a total of 123,800 peasants had joined. These peasants represent 1800 communal groups and 6600 village groups. The peasants who have thus signed up with the Socialists soon will be Communists—at least technically. The Socialists are merging with the Communist Workers Party on or about Oct. 1.
